17 January 2020

Dear Parent/Carer,

Our Creative Curriculum topic this term is Australia. Normally we would arrange a trip to compliment but to whisk the children off all the way down under may be a task too far, even for us at Woodthorne! With this in mind, we have had to think outside the box to see how it is possible to bring Australia to the children.

To do this, we are hoping to create an Australia day in school for the children by inviting 'The Didgeridoo Man' in to see them. We would need your support to make this happen by asking for a small donation of around £6 per child to pay for his expenses for the day.

The day would comprise of the following activities:

- 20-40 minute Assembly for all year 2 children
- Two didgeridoo playing workshops - one for each class, one before, one after break
- Earth art workshops after lunch to meet and do an introduction for both classes in one classroom, then split into each classroom for the art (all materials provided)
- Final storytelling and didgeridoo performance before home time (parents will be invited to attend)

We believe that this experience will add massive value to the children and we will only be able to do it if we have sufficient donations. Please could you make a donation of what you can afford on Parentpay before Friday 24th January so we can then make a firm booking for this event.

Thanks in advance for your support in creating what may be a wonderful day for the children.

Yours Faithfully

A. Arshad
