

Ideas that don't need technology

- Go on a scavenger hunt in your house or in garden—find items of different colours, materials or sizes.
- Play a board game or complete a jigsaw with your family.
- Bake a cake, some bread or help make dinner with your parents.
- Read a book and then draw your favourite character. Create your own book with folded up paper.
- Go for a walk—can you see any shapes or numbers in the environment?

**Woodthorne News
Nursery**

Monday 20th April

Hi Everyone - parents and children, We hope you are all well and staying safe. We all miss you so much and can't wait till Nursery is open again. Please keep sending us your photos, pictures, ideas and news though our year group email. We would like every child to contact us at least once a week.

Please get in touch by email or phone if you need us. Missing you all - Miss Swann, Mrs Elcock and Mrs Sharma

Wt.eyfshomelearning@perryhallmat.co.uk 01902 558544

Message from Mrs Elcock—

Hello everyone, this is such a strange time for us all being away from Nursery and School but we are doing this to stay safe and help all the amazing doctors and nurses who are doing a wonderful job caring for the sick. Words can't describe how much I miss you all, but by reading and sharing your news has put a smile on my face. I've been spending a lot of time with my family, enjoying country walks in the sunshine, experimenting with some new cooking recipes and playing games. I hope to see you all very soon. XX

Message from Miss Swann—

Hello everyone. I hope you are all staying safe and looking after your parents. I have been busy going for walks with my family, completing jigsaws, eating lots of Easter eggs and doing some gardening. I miss each of you so much, so keep sending us emails.

We will be sending out some ideas and activities for you to complete over the next few weeks around the topic 'People Who Help Us'. Hopefully will see you all soon x x

Message from Mrs Sharma—

Hope you all had a fantastic Easter, I enjoyed eating my Easter egg, making chocolate nests with my children and doing lots of Easter colouring sheets too. I hope you are not too bored and are keeping yourselves busy as there are a lot of fun things for you to do at home. I've been doing a lot of tidying and sorting out with my family, also doing lots of colouring, gardening, helping my children with their learning and going on walks by the canal. Whilst on our walk, we have been looking out for rainbow pictures that children have been creating and leaving in their windows these pictures make me smile.

Remember to wash your hands. Stay safe and I'm missing you all so much.
