Hi everyone,

I hope you are all well and have been enjoying the lovely sunshine we have been having. I have been trying to keep my boys busy; Leo has been trying to write his name; Lucas has loved making as much noises as he can for the NHS on a Thursday and Jacob has been doing his very best to avoid doing any school work. I have got lots of stories to tell you when I see you.

I have also been decorating our new home and working hard in the garden to make it nice for the boys to play in.

I miss all your little faces so much but hope you are making lots of memories with your grown ups.

Keep being superstars and I can't wait to see you soon.

Love Mrs Hodgkiss

### Reception

Monday 20th April 2020

Hi everyone, we hope you are all well and staying safe. Welcome to our first year group newsletter during the school closure period. We will be sending a newsletter every couple of weeks to keep you up to date with home learning, celebrate achievements and share news. We have had some super photos and videos sent to us of all the wonderful things you have been doing at home. Please keep sending them into us and we will share as many as we can on the next newsletter.

If there is anything at all you need, please get in touch and will do everything we can to help and support you.

Hello Reception children,

I hope you are all well and looking after yourselves. I have been looking at the emails, which your parents have been sending in. I am so proud of you all. You all have been so busy doing such fun learning. Absolutely great to see you smiling and laughing.

I have been so busy, my family are all working from home and my whole day consists of feeding them. It's breakfast time at 9 o'clock, tea and snacks at 11 o'clock, lunch at 2 o'clock, fruit and juice at 5 o'clock then its dinner time. I am absolutely exhausted, I need to come back to school for a break I think. I miss you all dearly and I look forward to seeing you soon.

Hello everyone,

I hope you are all keeping well and staying safe. I miss you all so much and can't wait to be back at school with you all again as soon as we can. I have been keeping busy with my own children and with getting things ready for you while we're off and when we're back. My family and I even went on a walk all dressed up in our costumes as our one outside exercise for the day. That was fun. I hope you have all been keeping busy, having fun and staying safe.

I miss you very much. Hopefully, see you very soon,

Mrs Wong

Remember to keep washing your hands.
