

Spelling Shed	TTRockstars	Oxford Reading Buddy
<p>Practise year 1 spellings Login daily to practise</p>	<p>Practise 2x and 5x tables – Let's see who can gain the most coins.</p>	<p>Read: Coral reefs by Karra McFarlane – level 4 Daily reading and quiz – Name two fish that live in a coral reef. Draw a picture of your favourite fish and send it in. Earn 2 house points.</p>

English	Science - Materials	Creative Curriculum
<p><a href="http://www.pobble365.com/">http://www.pobble365.com/</a> Select the picture 'watery world' (April 20<sup>th</sup>) <a href="https://www.pobble365.com/watery-world/">https://www.pobble365.com/watery-world/</a> Write a story and send it in to our email address. The best ones will earn house points. See if you can apply your learning of SPaG lessons by using words with the suffixes -est and -ing. Can you add a contraction to extend your sentences? Then proof-read your writing to check it makes sense.</p>	<p>Identify materials in your house. (glass, plastic, wood, fabric, paper, metal) Think about these questions: What if a chair was made of paper? What if tables were made of rubber? Take a picture of an object and say why it is made of that material. The most unusual response may be shared on our website.</p>	<p>Continue with your research – Research Christopher Columbus. What was he famous for? What was his ship called? Make a fact file or a spider graph with information you have found out. Draw some pictures to go with it. These can be shared when we are back in school. <a href="https://www.theschoolrun.com/homework-help/christopher-columbus">https://www.theschoolrun.com/homework-help/christopher-columbus</a></p>

Computing	DT	PSHE/Mindfulness/well-being
<p>Use Purple mash (2paint a picture) software programme to draw/design an underwater picture. Add some sea creatures to your picture. Save your work. Send in your creation – we shall share some on our website. When you login to Purple mash you will see work set for you in the 'to-do' tab.  Look out for the email with your Purple mash login details.</p>	<p>Design a boat that will float. Think carefully about the materials you can use. Label the materials on your plan. When you have designed your boat, maybe you could make it. Look in your recycle box – is there something you could use? Send in a picture of your boat. The best ones will be shared on our website.</p>	<p>Make sure you stay positive whilst away from friends and extended family. Update your positive thoughts diary. Send in your positive thoughts – the best ones will be published on our website. Write a positive note to your closest friend – these can be shared when we are back at school.</p>
