

Home Learning

Hopefully you have completed or are working your way through the homework packs we sent out. If you have finished them, you can find lots more activities on the school website under Parents>Resources for school closure.

From this week, we will be uploading a weekly home learning grid with a range of tasks for various subjects. Children are encouraged to complete these as they wish, as many of the activities mirror what we would have been doing if still at school. Alongside the home learning grids, tasks will be set on MyMaths—an online learning platform that will be monitored and updated regularly. Logins have been emailed out to children.

Practise social distancing

Self-isolate with cough or fever

Wash hands regularly

Catch it, bin it, kill it

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Communication

We want to support you and your children as much as we can through this very difficult time. So please don't hesitate to keep in contact and we will do our best to reply daily.

Finally, please be assured that there are no expectations in terms of quantity of work produced, we understand that learning at home can take place through a range of alternative mediums and we encourage this where possible.

Dear parents ...

Corona Virus updates

All updates can be found on the school website where there is a link to the latest advice from the government.

Woodthorne News

Year 2

Monday 20th April

Hi Everyone - parents and children, I hope you are all well and staying safe. Welcome to our first year group newsletter during the school closure period.

We will be sending a newsletter every couple of weeks to keep you up to date with home learning, celebrate achievements and share news. Send us your photos, pictures, ideas and news through your year group email. We would like every child to contact their teacher at least once a week.

Please get in touch by email or phone if you need us. Missing you all - Miss Kohli

Hello 2A and 2S!

We hope you are happy, healthy and well. This is our first year group newsletter whilst the school is closed. We know not being at school and not getting to see our friends each day has been quite odd but it's great to see how positive and optimistic you have all been. We have missed you all dearly and fingers crossed we see each other again soon.

We have absolutely loved reading your emails, browsing your photos and watching the videos you have sent in. It's great to see so many of you have continued to learn lots and keep busy each day. Joe Wicks has definitely tired out Mrs Sodhi and I (although we are yet to complete a whole workout).

We look forward to receiving lots more emails from you all and hearing all about the activities you do each day.

Keep safe and keep smiling,

Miss Arshad and Mrs Sodhi
