

Spelling Shed	TTrockstars	Oxford Reading Buddy
<p>Play 'Buzz Words'; make as many words as you can only using the letters on screen (Easy mode.) Can you make more than 10 words? What's your highest score?</p>	<p>It's a battle of the bands! Who will win, 2A or 2S? Help your class band by playing a round to contribute to the overall score. Once logged in, go to tournaments to find the challenge.</p>	<p>Read a book of your choice and then create a new front cover then send it in as part of your weekly email.</p>

Creative Writing	Science - Plants	Creative Curriculum
<p>Choose 10 items from around your house (including several toys/Lego figures/dolls etc.) Write a short story that includes all 10 items. Challenge: include a conversation between the characters, remembering the rules for written speech. Email this in and the best short story will be published on the school website.</p>	<p>How does a seed grow into a plant? Make a poster that shows the life cycle of a plant, using diagrams, photos if you have any, and short explanations of each stage.</p>	<p>This term, the story we will be looking at is 'The Way Back Home'. It focuses on a boy taking out his aeroplane and flying to the moon. This week we would like you to research the first aeroplane flight and create a design plan similar to that of the Wright Brothers first aeroplane. Please include sufficient detail as this will be the start of your DT project on making an aeroplane.</p>

MyMaths	Art	Mindfulness
<p>Please complete the homework tasks on: Recognising coins Using coins Using money Please check this throughout the week as work will be released on different days and aim to submit work by Sunday.</p>	<p>For Art this week, let's get sketching! Get out your favourite modes of transport (bike, scooters, toy cars, buses, trains) try and sketch accurately focusing on line, shape and space. Remember to send us an email with your sketches.</p>	<p>Nature scavenger hunt- enjoy the benefits of being outdoors! If you have a garden, or can go for a walk, try and find these: A pinecone Two different white flowers Something that makes a noise A stick the same length as your thumb Something smooth Clover 3 different shades of green</p>

PE	The Way Back Home	Computing
<p>BBC Supermovers: https://www.bbc.co.uk/teach/supermovers Learn some dance routines with Oti: https://www.youtube.com/watch?v=HQ3npArbxvc&list=PLuwFE3Wyin9f36ch9NM61DOn6ht_UxAh3</p>	<p>After their adventure, both characters return home. Pretend to be the alien, and make a postcard that you will send to the boy. Draw your home planet on the front, and write a description of your home to your new friend. Try to include: Questions - correctly punctuated with a question mark Expanded noun phrases - with a comma Similes Commas in a list</p>	<p>Practice your keyboard skills by typing up one of your pieces of home learning. Can you change the font type, colour or size? Can you add a picture? Try to complete this task in short sessions, to improve your typing speed.</p>

	Use all four sentence types (exclamation, statement, question and command) Starting sentences differently: e.g. with an adverb or adjective.
