<p>How can you up-level the sentences above to make them better? Use your answers to the Question Time tasks to help you.</p>	<p>Task 2: You will need a bucket of water and a plastic bottle to begin. You will need to take off the cap and cut off the bottom of the bottle – please make sure an adult does this for you.</p> <p>Put the bottle in the water so that the cut bottom is in the water. Put your ear to the top of the bottle so you can listen.</p> <p>Using materials (perhaps two spoons), have another person clang them together in the water. What can you hear? Is the sound clear? Why is this?</p> <p>Research to find out and present your findings however you wish.</p>	<p>Design your own coat of arms and explain what you have chosen to represent you and why.</p> <p>Task 2: What was the purpose of knights? What was the Code of Chivalry? Can you find out what jousting was?</p> <p>Design a poster advertising for “The Ideal Knight.”</p> <p>Email us your creations.</p>
