

HOME LEARNING

During the Summer Term, we will be studying Sound and Electricity in Science. Your first task will be based around sounds in your environment. What can you hear?

Your new Creative Curriculum topic is A Whole New World. We will be focusing on the Tudors, which was a very eventful period in British History. Are there any facts that you already know?

Reminder: please continue with Spelling Shed, TT Rockstars and Oxford Reading Buddy. These will be checked regularly.

Practise social distancing

Self-isolate with cough or fever

Wash hands regularly

You should have all now received your MyMaths login details. Please get in touch via the year group email if you haven't so this can be given out. Work has been set for you to begin daily. This will change weekly and it is expected for everyone to keep up to date with completing their work.

Dear parents ...

Corona Virus updates

All updates can be found on the school website where there is a link to the latest advice from the government.

Woodthorne News

Year 4

Monday 20th April

Hello Year 4!

We hope you are all well and staying safe and had an enjoyable and relaxing Easter. Welcome to our first year group newsletter during the school closure period.

We will be sending a newsletter every couple of weeks to keep you up to date with home learning, celebrate achievements and share news. Send us your photos, ideas and news through the year group email. We would like every child to contact their teacher at least once a week.

We hope you are all keeping busy, completing the homework tasks we set. If you've finished them, don't worry as there are more on the way. We're always here to help so if you have any questions regarding anything please email us at:

wt.y4homelearning@perryhallmat.co.uk and we'll get back to you.

We are looking forward to hearing from you all about how your home learning is going.

Keep safe and keep smiling!

Miss Athwal, Mrs Cotterill and Mrs Smith. x

Here are some useful websites for you to use at home:

<https://readtheory.org/>

<https://www.twinkl.co.uk>

Catch it, bin it, kill it

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Woodthorne Road South, Tettenhall, Wolverhampton, WV6 8XL

Headteacher: Mr T Hinkley

Home Learning:

We would like to know how you are getting on with your home learning activities. Please continue sending in photos of some of the activities you have completed, so we can celebrate your successes on the website or via email. Each week a Learning Grid will be uploaded to the website filled with activities and learning sessions for everyone. Don't forget to also log in to MyMaths (you should have all had a log in emailed to you.)

Birthdays We would like to wish all the children who celebrated their birthdays in March, a very Happy Birthday. We hope you had a wonderful day!
