## Nursery

Monday 4th May

Hi everyone - we can't believe it has been over 5 weeks since we saw all of your wonderful faces. There have been a few birthdays in Nursery so can we say happy birthday to Nathan and Rajab and we all wish you well.

Thank you for the emails we have had so far—we have loved the photos of you dressing as doctors and nurses, your writing and number work and baking cakes—save some for us.

Please get in touch by email once a week—we love reading your messages and seeing your photos

Message from Mrs Sharma—

Hello, hope you are all well and enjoying your family time together.

I am missing you all a lot and enjoying looking at all the work you have been doing at home.

I have been very busy sorting out my garden and baking lots of cookies and cakes.

Keep safe and I hope to see you all soon. xx

Message from Miss Swann—

How are you? I have started running this week as I've realised I am eating a bit too much at home. I have also completed a lot of jigsaws and getting ready to celebrate my son's birthday—he is turning 7.

I am so happy the weather is sunny so I can spend time outside but I am missing meeting my friends and family—especially my mum's Sunday lunch!

Keep sending us emails as they brighten up our day and if you have any questions just ask. I miss all of you x x

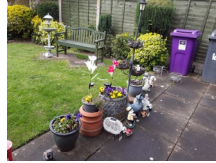

I know you have not just been missing the Nursery staff but also Jan and Mr Bird, so here are messages from both of them.

Mr Bird has missed the children so much, he has still been working at the school keeping things going. He hopes to see you all very soon, keep safe and well.

Hi guys, how are you doing? I bet you've been up to some great things in the house and garden while you haven't been at school. I've been getting my garden sorted for summer and walking Vardy, my dog. I've missed you all like crazy and look forward to seeing you soon. Take care x x

Message from Mrs Elcock—

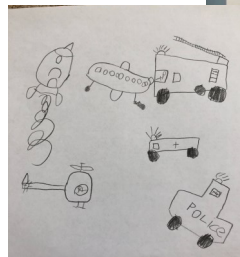

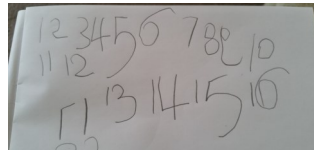

Hello everyone, I hope you and your families are well. Just to say how much I miss your smiles in Nursery each day but by reading your messages, watching your videos and being amazed by your wonderful pictures makes me feel close to you.

I've been working hard in the garden with Mr Elcock, planting, weeding and we even made a bench. We love palm trees as you can see in the picture.

Keep safe and lots of love x x

Here are some pictures of your amazing work - keep them coming in.
