Reception

Monday 1st June 2020

Hello Reception, we hope you are all well and enjoying this wonderful sunshine we have been having. Your teachers have been keeping very busy this half term. We miss the children tons and tons and we love hearing their voices when we call to say hello each week. If there is anything at all you need, please get in touch and we will do everything we can to help and support you.

Lots of love, the Early Years Team.

Mrs Gakhal has been busy this week. She's been painting the garden shed and this beautiful bench. Then, having a well deserved rest. She planted some plants

too. Now she just needs to remember to water them. Missing you all.

Hello all. We have been very busy having a Disney Day and then we built a Wendy House for the garden. On Disney Day, we had a phone call from a storm trooper and Cinderella herself. We ate Mickey shaped food. Missing you xxx Mrs W

Mrs Dean is having lots of fun playing on her new computer. Hope you're all well and keeping safe, miss you lots - what an amazing computer set up Mrs D!

Remember to keep washing your hands. STAY SAFE

Did you know schools can have birthdays, too? Our school is 60 this year. We will have some activities in our home learning this week to help celebrate.

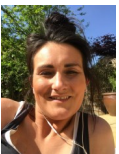

Each week, we will be choosing some lovely home learning to appear on the school website. It could be baking, or riding your bike or anything that makes you feel proud.

Hi everyone, I hope you have been having lots of fun in the sun. I've been working hard in the garden at home and at school with the boys. We have made a lovely log circle for Welly Wednesdays on the school field. Can't wait for you to see it. I might have squeezed in a bit of sunbathing too.

Miss you millions, Mrs H xxx

Please send us your photos, pictures, ideas and news though our year group email which is: wt.eyfshomelearning@perryhall.mat.co.uk
