

Spelling Shed	TTrockstars	Oxford Reading Buddy
<p>Practice your weekly words, and your typing accuracy by using them in silly sentences.</p>	<p>Congratulations to our leader board winners for each class. This week see if you can play enough games to boost your coin total to over 1000 coins.</p>	<p>Read <b>any</b> fiction book. Talk about or write a definition of the key features of a fiction book: <b>Setting, characters, theme, problem, resolution (how the problem is solved), ending.</b></p>
Creative Writing	Science - Plants	Creative Curriculum
	<p>Different plants are found in different parts of the world. Choose a country or habitat (e.g. forest, jungle, rainforest etc.) and draw a landscape picture of it. Include lots of different plants and trees that you would find in that habitat.</p> <p>Label your plants and trees, and find a few key facts about them, e.g. What do their seeds look like? How tall can they grow? What (if anything!) eats them, or lives in them? Can humans eat or use them? Are they dangerous?</p>	<p>Now that you have created the body of your aeroplane it's time to start researching aeroplane wings and how to make these aerodynamic – in order to fly smoother and further.</p> <p>Once you have decided on a shape, trace this onto your chosen material and attach it to your aeroplane body.</p> <p>Extra Challenge: Could you include a propeller/ tail to your aeroplane</p> <p>Remember to send in pictures of your progress each week ☺</p>
MyMaths	Art	Mindfulness
<p>Well done to everyone who has logged in and completed a task so far. Here are the daily tasks for this week. They will be made available at the start of each day:</p> <p>Monday: Sharing Tuesday: Dividing Wednesday: Introducing Fractions Thursday: Simple Fractions Friday: Modelling Fractions of Amounts</p>	<p>The artists Andy Goldsworthy, James Brunt and Robert Smithson all use natural materials to create art. Looking at the examples below, or using your own research, create a piece of art/sculpture work inspired by these artists' work:</p> 	<p>Music has been shown to have a positive effect on our mood and emotions. This week, find some songs or instrumental pieces that make you feel calm or happy. Put them together as a playlist and share it with somebody.</p> <p>For a further musical activity, you could try the 'Body Percussion' BBC lesson: <a href="https://www.bbc.co.uk/bitesize/articles/zjcwqp3">https://www.bbc.co.uk/bitesize/articles/zjcwqp3</a></p>
PE	The Way Back Home	Computing
<p>Create a series of activity circuits for you to complete. Some station ideas: Star jumps, skipping, bouncing a ball, shuttle runs, planks, dance moves etc.</p>	<p>Write a poem about stars, space, a rocket or an alien. It could be an acrostic, a shape poem or any form you choose! Try to include expanded noun phrases, alliteration, similes and adventurous vocabulary choices. See an example here: <a href="https://www.bbc.co.uk/bitesize/topics/zjhvcw/articles/zg6dng8">https://www.bbc.co.uk/bitesize/topics/zjhvcw/articles/zg6dng8</a></p>	<p>Log in to Purple Mash and complete the pictogram task. Ask family/friends to choose their favourite and record this data in a tally chart before you create your pictogram on Purple Mash. Remember to submit your final graph for feedback.</p>
