We hope you're all well and staying safe; we miss all of you. Thank you to all the children and parents who have shared the wonderful things they have been doing at home. Keep sending photos and pictures of what you have been up to through the year group email, especially if you haven't sent us photos yet.

From next week, we will be choosing 'Home learning of the week'; this doesn't have to be a physical piece of work but can be any special activity you may have done. The winning Home Learning of the Week will receive a special certificate and a special mention in our newsletter.

Please continue to contact us at least once a week. Stay well, stay alert and keep smiling!
