Writing	Science - Forces	Cooking
<p>Thank you for all your heartfelt letters to the vulnerable and elderly this week. They were really lovely and I am sure they will provide those feeling lonely some great pleasure reading them. I will forward them on to the Wolves Foundation today who will distribute them accordingly.</p> <p>This week, your writing task has a journalistic focus. Before you start writing, try browsing through some newspapers to get an idea of the format. Your newspaper article will need to be about the current situation or something that has happened as a result of the coronavirus lockdown.</p> <p>Monday – write your headline and lead paragraph. Remember your headline needs to catch the attention of the reader. Could you use</p>	<p><b>Water resistance</b></p> <div data-bbox="904 1050 1424 1262" data-label="Image"> </div> <p>Does the shape of a 3D object affect how quickly it will fall through water?</p> <p>Take 3 equal amounts of blu tack/playdoh. Make each one into a different 3D shape: cube, sphere, pyramid. Then drop them through water</p>	<p>Fantastic work this week with your pizza adventures. Hopefully they tasted as good as they looked!</p> <p>This week, we are going down the healthy route and challenging you to create a colourful salad!</p> <p>This could be a fruit salad or just a salad full of wonderful produce such as lettuce, carrots, peppers, tomatoes.</p>

figurative language (alliteration)? Your lead paragraph needs to include the 5 W's, (who, what, where, when and why).

Tuesday – in your second paragraph you will expand upon the lead paragraph in more detail. Try using relative clauses and remember the relative pronouns.

Wednesday – add direct speech. This is direct quotes from those involves or people that are key to the story. For example, 'I am very happy to play for Wolverhampton Wanderers' added Jimenez.

Thursday – add reported speech. This is where you take a quote and put it into your own words. For example, Jimenez, who is very happy to play for Wovlerhampton Wanderers, scored two goals today.

Friday – write your newspaper article.

to the bottom of the glass. Time how long it takes each one to fall to the bottom. Does the shape of the blu tac affect how long it takes to fall to the bottom?  
What shape makes it fall quickest?

Quiz question: Which of the following is a fruit?

*Tomato – Pepper – Onion – Lettuce*

### MyMaths

[www.mymaths.co.uk](http://www.mymaths.co.uk)

You should all have received an email with a username and password for this.

You complete them on the screen and then it allows you to check your answers. You can use a pencil and paper to help work them out!

We have set the work to the following timetable.

The following activities will appear on the following days and they will be taken off by Sunday.

### New set of work

Monday: adding and subtracting fractions

Tuesday: multiplying fractions

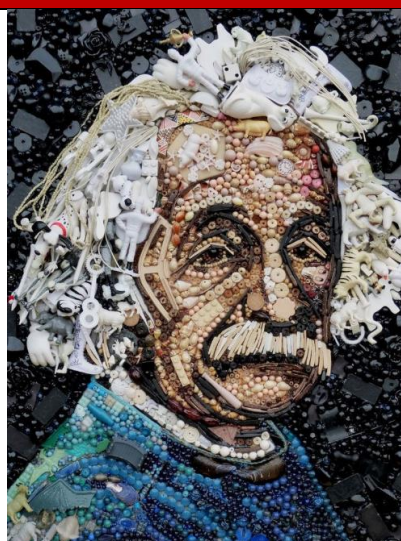

Wednesday: comparing fractions

Thursday: comparing fractions

Friday: mixed numbers

(some of you might have something slightly different or extra to this)

### Art

Recycled materials self portrait.

As you can see, this portrait of Albert Einstein has been made using old bits of material such as plastic, cloth, felt etc. Have a go at doing one of yourself and then email a photo of it into us.

### Ancient Greece

#### Greek Alphabet

Α Alpha	Β Beta	Γ Gamma	Δ Delta
Ε Epsilon	Ζ Zeta	Η Eta	Θ Theta
Ι Iota	Κ Kappa	Λ Lambda	Μ Mu
Ν Nu	Ξ Xi	Ο Omicron	Π Pi
Ρ Rho	Σ Sigma	Τ Tau	Υ Upsilon
Φ Phi	Χ Chi	Ψ Psi	Ω Omega

So far, you have learnt about the timeline of events in Ancient Greece, you've mapped it, learnt about Athens and Sparta and compared the Ancient and Modern Olympics, now we want you to find out about how the Ancient Greeks changed the world. They were very famous for their art, architecture, theatre and the alphabet amongst other things.

PE	Reading	Outdoor Learning
<p>You've seen Joe Wickes.... Now...</p> <p>This week your PE task is to create your own circuit. Using anything and everything you can find in whatever space you have available to you, create a fitness circuit that can last from 10-30 minutes that really gets your heartbeat raised and gets you into a bit of a sweat.</p>	<p>Having spoken to a number of you recently, it would appear that you are spending a lot of time reading and/or on Oxford Reading Buddy.</p> <p>We would LOVE to hear what you've been reading so why not write us a book review. It doesn't have to be a lengthy piece of writing but it would be lovely for you to reflect on what you have read.</p>	<p>Given that we have recently celebrated VE day, I think it would be fitting to look at camouflage, something that was incredibly important during the war.</p> <p>Your task for this week is to collect some leaves and twigs and camouflage something you own. If you are very adventurous then this would be brightly coloured.</p> <p>Good luck</p>
