

Spelling Shed	TTRockstars	Oxford Reading Buddy
<p>A reminder that we are still setting weekly spellings on Spelling Shed ☺</p> <p>Currently, we have 6 Year 6s in our whole school top 20.</p> <p>I wonder if we can increase this to 10 by the end of the week.</p>	<p>Time for us to all battle against each other.</p> <p>Miss Laird and Miss Eardly will be on TTRS between 2pm and 3pm to play in the arena.</p> <p>This also gives you the opportunity to play against your friends. Give it a bash!</p>	<p>This week's book is: The Pied Piper of Hamelin</p> <p>The people of Hamelin have a big problem ... rats! What will happen when the Pied Piper offers to help? Find out in this graphic retelling of Robert Browning's classic poem.</p>

Each week, we will focus our learning on a different Disney film.

This week's focus will be:

We would love to see the work you produce – don't forget to email it in to wt.y6homelearning@perryhallmat.co.uk

If you could all email us once a week with something that you've done, that would be super ☺

Please contact us if you have any questions about the tasks we have provided.

Creative Writing	Science	Creative Curriculum
<p>The 1991 original Disney animated version of the film was based on an 18th century French fairytale, <i>La Belle et la Bête</i>. Critics have noted that the 2017 remake has been updated somewhat for modern audiences with the character of Belle feistier and more independent than the earlier version.</p> <p>Think of traditional fairytales and imagine them in a modern time period or setting. How might the storyline or characters differ in the 21st century?</p> <p>You could go for:</p> <ul style="list-style-type: none"> • Cinderella – maybe Cinderella doesn't dream of meeting a rich prince to improve her life but studying a degree? • Goldilocks and the three bears – can the three bears watch Goldilocks via CCTV to see what she is doing? • Pinocchio – perhaps Giuseppe invests in a lie-detector machine? <p>Think about the structure we would follow in a week's Literacy lessons:</p> <p>1 – map out the original text. What happens in each section?</p> <p>2 – how would you map out your new story? Think about the characters, setting, problem, climax and solution.</p> <p>The rest of the week would be for writing and redrafting your writing. Maybe you could create your fairytale as a comic strip?</p>	<p style="text-align: center;">Plants</p> <p style="text-align: center;">The rose is an essential part to the story.</p> <ul style="list-style-type: none"> - What are the different parts to the rose? Can you label each one? Have a go at drawing one and label each part. - How do they reproduce? What is needed for the rose to stay alive? - Do you have any roses in your garden? Have you seen any roses on your daily walk? If so, why not send in some photos? <p style="text-align: center;">How could you present your learning?</p> <ul style="list-style-type: none"> • Double-page spread (we know you love these!) • If you do have a rose in your garden, why not ask someone at home if you can dissect it and then label all of its parts? • What plants can you see on your daily walk? 	<p>Geography</p> <p>Can you research and present a documentary about France? What would people want to know? Major cities, landmarks, food and drink – the list goes on! Be as creative as you can be 😊</p> <p>French</p> <p>Salut! Comment ça va?</p> <p>With the film being set in France, we couldn't really go a week without practising our French.</p> <p>https://www.french-games.net/</p> <p>I love this website as you get to choose a topic, then a lesson and then play games, which are similar to the games we would be playing in class.</p> <p>How many of these topics can you learn about?</p> <ul style="list-style-type: none"> • People – portraits • People – appearance • Activity – daily routine • Activity – hobbies <p>History</p> <p>The 18th century saw one of the most pivotal events in European history – The French Revolution. Can you find out why this happened? What was the impact of this event?</p>
MyMaths	Reading	Mindfulness
<p>You have daily MyMaths lessons to access.</p> <p>Each activity has a short lesson before it to model how to use each skill. It's important that you have a look at these before moving on to completing the task.</p> <p>Well done to those of you who have been trying to complete each of the tasks.</p>	<p>Some authors have been kind enough to allow access to free audiobooks. One of these is Michelle Harrison – her book 'A Pinch of Magic' is now available to listen to, chapter by chapter. Try to allow time to listen to a chapter each day. Sometimes this will be 5 minutes, sometimes 20. Why not try to include this in your routine each day, maybe at bedtimes or whilst you eat your breakfast.</p> <p>https://www.worldbookday.com/stories/a-pinch-of-magic/</p> <p>If you're more into spooky stories, author Peter Murray has uploaded one of his books for free! This one is football-based.</p> <p>http://www.peterjmurray.co.uk/images/shop-stuff/kruschmeister-book-download.pdf</p>	<p>If you find that you need some time to feel calm this week, a simple yet effective exercise is to trace your hand. Hold out your hand in a high five pose, then as slowly as you can, trace round each finger with your other hand.</p> <p>Why not try a tense and release muscle relaxation? Starting at the feet, gently squeeze the muscles in your feet by tightening them, then slowly releasing. Next, squeeze the large muscles in the calves for 5 seconds, then gently release. Working your way up the body, squeeze the thigh muscles for 5 seconds then gently release. Continue moving up the body for more relaxation.</p> <p style="text-align: right;">This is particularly helpful if you'</p>

PE	Computing	Art & D&T
<p>Time to create your own Ninja Warrior obstacle course. Try to get the whole family involved – who can complete it in the quickest time? Who can complete it with the fewest mistakes? We'd love to see pictures or videos of you completing it. As with all of our activities, make sure you ask someone at home if they are happy for you to complete the task.</p>	<p>You have been set 2 coding tasks on PurpleMash – we've seen that some of you have already made a start on coding and created your own games.</p> <p>Your 2Dos for this week are:</p> <ul style="list-style-type: none"> - Tick tock clock challenge – Make the clock tick and chime using the timer command - Guard the Castle – This time, it's personal! 	<p>Art</p> <ul style="list-style-type: none"> - Try drawing cartoon versions of the main characters https://www.youtube.com/watch?v=hky2ggpPM88&safe=true - How about drawing a rose or a selection of different flowers? There are some fantastic tutorials online if you're not sure where to begin. - Costume design – consider costumes that actors could wear if they were to put on a production of Beauty and the Beast. Which materials would be most suitable? <p>D&T</p> <ul style="list-style-type: none"> - Create a traditional recipe from the country and learn the names of the ingredients in that language.
