### Instructions

#### Questions and answers

There are different sorts of questions and it should be obvious how to answer each one.

Each question contains at least one joke. Sometimes the joke is finished after the space for your answer.

#### Marks

There are 50 questions and each question is worth 1 mark.

You should work through the booklet until you are asked to stop.

Work as quickly and as carefully as you can. If you get stuck, move onto another question. You can revisit difficult questions later. If you finish before the end, go back and check your work.

You have 45 minutes to answer the questions in this booklet.
