Hopefully, this activity will cool us down with all of the hot weather we have been having!

Story starter! Can you complete the story?

'Winter is coming.'

People across the world had been saying it for years.

Now, winter had arrived, and its icy clutches were spreading. A wall of ice had been creeping over the face of the world, enveloping everything in its path, inch by frosty inch. Cities and villages, forests and rivers; all had been devoured by the ever-hungry cold. When would it all end? Would the sun ever shine again?

Maths

BBC bitesize have been broadcasting daily lessons since the schools have closed.

This week, we would like you to complete the daily maths lessons and let us know how you get on over email.

Mindfulness

Breathing activity

Just One Breath BREATHING ACTIVITY

Find a relaxing place, sit comfortably, and set a timer for one minute.

Breathe deeply in and out while paying attention to any sensations you notice or sounds you hear.

Take another slow deep breath, imagine the air moving down into the lungs and back up.

Take one more deep breath and hold for a moment, then release it.
