

I hope you're still enjoying your time at home and all your home learning. We love seeing all your photos and videos. I am at school more now, but still working some days from home. In my spare time I am still running and can now jog for 20 minutes. My car broke last week so I am walking to and from school and having to shop at the Tettenhall Co op, Baked and the fruit and vegetable shop. Hopefully we will have it fixed or get a new one soon as I want to get a Macdonalds. I wish we could spend one day all together again in Nursery to say a proper goodbye but I know you are all safe with your family.

Lots of love, Miss Swann x x

I'm sitting here thinking about the strange times we are all going through at the moment such as not being able to go to places without queuing, celebrating my son's 18th birthday where family greeted him with gifts and well wishes though the garden fence from the field and even my other son becoming the new hairdresser/barber so we can at least have a trim. I'm even looking though a holiday brochure with hope that one day soon I can still enjoy a family holiday. All this to one side, I know one message I would like to say is that I have many wonderful memories of the time we spent together and will never forget them.

Stay safe, lots of love

## Nursery

Monday 15th June

Hi Everyone - half way through June and what a change of weather we have had, hopefully we shall see the sun again soon. We have started seeing more children in school this week and while it is lovely having the older ones back, we still really miss Nursery.

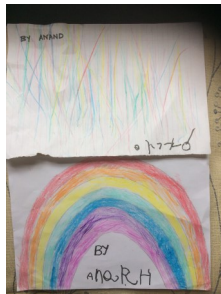

Happy birthday to Parker who has turned 4!  
Please get in touch by email once a week—we love reading your messages and seeing your photos

Thank you for all your photos of your home learning over the past two weeks.

Here is some of the home learning for 'We're Going On A Bear Hunt'

Even more photos of your amazing home learning! We love it!

Hello everyone! I hope you are all well. I've been very busy doing some learning on my laptop at home just like you! Also I have been doing more cleaning, going on walks, baking cakes and helping my children with their home learning. It was my daughter's birthday and we made lots of tasty goodies to eat. Hope to see you all soon, lots of love

Mrs Sharma x x
