

## Nursery Homework

### Away We Go!

Our topic this half term is 'Away We Go!' This week we are looking at the book 'Whatever Next' by Jill Murphy.

On Purple Mash this week in the 'To Do' section - Can you create your own space picture? What will you put in space?

Read the book or watch the book being read

<https://www.youtube.com/watch?v=6c5cb0u0rPM>

Can you now role play the story?

Create some moon dough using -

- 8 cups of plain flour
- 1 cup vegetable oil or baby oil
- Food colouring and essential oils if you want it coloured or to smell nice!

Make a sandwich to take to the moon. Make sure you spread the butter carefully. What will you put in your sandwich?

If you went to the moon, what would you take with you? I would take a camera, some chocolate, water, and a flag to leave on the moon. Write or draw pictures of what you would take.

Can you create a rocket? You can draw or paint one or you can create one using junk materials, lego or duplo. Use your imagination!

What would wear if you went to space? Raid your family's wardrobe or make something out of junk materials.

Remember to take a photo and send it to us.

### **This week we are learning about the 60s!**

We landed on the moon for the first time - can you pretend to walk on the moon?

The film Mary Poppins was released - watch the film and draw a picture of Mary and her umbrella.

Listen to the Beatles, the Mamas And Papas and the Supremes - which band do you like the best?

Learn the dance moves of the 60s - : <https://vimeo.com/204336221>
