## Woodthorne News Reception 29.6.20

Ethan B. has been very busy practising some Chinese writing, as well as counting in Chinese too.

This will be the last newsletter from Reception as the next one will be from Year 1 welcoming you to the next stage of your journey. Thank you so much for all the work you've been doing and all the photos you've been sharing with us. It has been wonderful to see what you've been up to during lock down. Thank you for chatting on the phone, it was lovely to speak to you all. We know you will all be amazing in Year 1 and continue to fly. Big hugs and best wishes! Mrs Wong, Mrs Hodgkiss, Mrs Gakhal and Mrs Dean.

Grace A. has done some super writing about her planet during our space topic.

Grace D. turned 5. She had an afternoon tea in her garden with her nans, dressed in her favourite dress.

Amelia has been very creative, she helped her mum and dad paint a rainbow on her bedroom wall.

Here is a small selection of the photos you have sent in. It looks like the children have been having a fabulous time being creative!

Isaac had had a new microscope; he has been exploring leaves, insects and flowers with it.

Jesse was experimenting with blue and yellow wax crayons. He melted them with a hairdryer and made the colour green.

Anabelle has constructed a volcano planet. She used egg boxes for the volcanoes and ribbon for the lava.

Arjun made a rocket, he carefully thought about his design and then glued it all together before colouring it
