

Well Reception, the time has come for me to send out your last Reception home learning. From next week, your home learning will be sent out by your Year One teacher as part of our school transition programme.

Thank you so much for all your hard work—you and your grown ups have just blown our socks off and we have loved seeing all your hard work, activities and projects more than you know!

Please draw a picture of your favourite Reception memory. Was it walking to the shops, library or pumpkin patch? Was it making and eating pancakes or the valentine chocolate skewers we made? Was it our wonderful 'Welly Wednesdays' or a good old tidy time!

Can you write a list of three things you have learnt to do during your time in Reception that you couldn't do before you started?
Put your coat on?
Write your name?
Add numbers together?

Pop your wellies on and recreate your own 'Welly Wednesday' by exploring the garden or local area!

Tell your grown ups about all the super activities we did on welly Wednesdays. Create a den, make bird feeders, collect garden treasures or make your own miniature garden.

What would you tell the children who will be starting Reception in September? What advice would you give them—can you write this in a letter for them?

Remember to use your phonic knowledge as you write. Listening carefully for all the sounds in the words you are trying to write
Which tricky words can you remember and recognise?
Pop your writing or a photograph of it in you

Draw around your hand and on each finger or thumb write something you like about school or your class.

Create a summer bucket list of things you would like to do before you come back to school in September?
