CALORIES

Mr Johnston was very impressed with Ibraheem's stamina and pace and is training up for a race vs him in September!

As with all good things, they have to come to an end so we want to take this opportunity to tell you how much we appreciate the role you have played this year. Thank you for being an amazing year group through such a turbulent time. Whilst I am sure you will agree we didn't have enough time together as a team, we had some fantastic times and made memories that will last a lifetime. You have dealt with several changes over the year and you have taken all of this in your stride and showed incredible resilience and maturity. We are genuinely proud of each and every one of you. Not only have you grown academically, but you have grown as people.

Next year, is the final chapter of your Woodthorne journey and you will be fantastic role models for the younger children. Despite being the eldest in the school, you will still feel highs and lows. Please remember that our doors are always open. You might want to share some fantastic news with us or just come in for a chat, either way we will always be there for you to talk to.

Most importantly Year 5, keep smiling!

Woodthorne News Year 5, 29.6.20

This will be the last newsletter from Year 5 as the next one will be from Year 6 welcoming you to the next stage of your education. Thank you for all the wonderful photos and work you have sent us over the last few months.

Good luck in year 6 from Mr Stack, Mrs Johnston and Mrs Butler.

Here is a small selection of the photos you have sent in. It looks like the children have been keeping very busy!

Alex has been perfecting his photography skills. We were impressed with his close-up work and how he's managed to capture individual water droplets!

Alex also produced this awesome piece of shadow art. We love the creativity that he's shown and how he used an ordinary toy to create an extraordinary outcome.
