My latest craft project has been making face masks for the other teachers. Most of us are in desperate need of a haircut and are hoping to get to the hairdressers soon! The new rules say that we will have to wear a face covering there, so I've been busy with my sewing machine.

I started doing the couch to 5k on the BBC app a few weeks ago and I've chosen Sarah Millican as my trainer. I've always wanted to run but found it really hard to run for even a few mins. The app makes it really easy with the slight progression each week that helps you build up

your fitness. I always feel like I've accomplished something after finishing a run!

Miss Laird.

Since our last newsletter, I have been spending more of my time with you lovely lot! It has been great to see Y6 faces and hear what you've all been up to. At the end of a long day, I've been going home and relaxing in the garden.

Miss Eardly.

I'm back at school full time now. Whilst it's lovely to see half of year 6 back, the school still seems very strange and quiet, especially at break and lunch times, as not all of the children are here.
