

Send us in pictures of your work to wt.y5homelearning@perryhallmat.co.uk
We love to hear from you!

Spelling Shed

Each spelling group has been set their next list to learn.

Go to www.spellingshed.com
We will check up on your scores

Top scorers this week

Group 3: 1st Prem, 2nd Jessleen, 3rd Seren

Group 2: 1st Karan, 2nd Harjeet, 3rd Jake

Group 1: 1st Sophie

TTrockstars

Battle of the Bands!

www.ttrockstars.com

Year 5 Lifetime Earnings leaderboard:

1st place: Saran

2nd place: Eryn

3rd place: Prem

4th place: Emmie

5th place: Mahi

There is another battle this week between 5S and 5J. Make sure you logon to compete! If 5S win, it will be 3 in a row!

Computing

Logon to Purple Mash

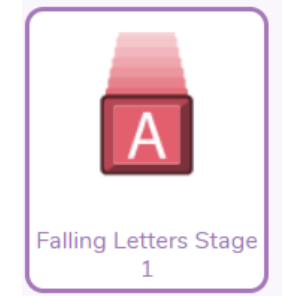

www.purplemash.com/woodthorne

Year 5 Blog

You will see that we have set up a blog for Year 5 on Purple Mash.

Please keep adding your lockdown stories and remember to comment on other people's posts too. It's a great way to share your thoughts and stay in touch!

Falling letters

We have set you another touch typing activity on Purple Mash to improve your typing skills and speed.

Last week's typing winners:
1st Adam
2nd Seren
3rd Imaan

You may have noticed there has been significant media coverage over the past week surrounding the protests across the globe. Woodthorne is a fantastically diverse and multi-cultural school and we love to celebrate all cultures whenever possible. Whilst we dedicate time during the school year for 'Black History Month', this year I want us to focus on one individual that you would like to find more information about. You are going to write a biography about a famous person in history. Some ideas include:

Barack Obama

Martin Luther King

Monday – collect information about your iconic person.

Tuesday – summarise the main events of a person's life in the opening paragraph

Wednesday – write in the past tense using third person pronouns.

Thursday – can you add parenthesis to add extra information?

Friday – Write your biography.

Adama Traore

Last week we looked at the 1950s and did some Pop Art.

This week, let's enter the 1960s. The 1960s was known as the 'Swinging Sixties' and is associated with the birth of British pop music and fashion.

In 1969 (When Woodthorne was 10 years old) one of the most incredible moments in the history of mankind occurred – Neil Armstrong became the first man to walk on the moon.

Read and watch the video clips on this page here to help you learn about what happened. <https://www.bbc.co.uk/newsround/4878979>

2

Choose from these tasks

- 1) See if you can speak to someone in your family who was alive during the first moon landings in 1969. Interview them to ask them what they remember. You could ask them questions like 1) Where did you watch it? 2) How did you feel about it? 3) How important did the story feel?
- 2) Write a newspaper report about the landings (if you Google it, you will find original newspaper articles from the time)
- 3) Create a piece of artwork using chalk and black paper to depict the famous photograph above.

This week in cooking, we return to baking. However, this week we will celebrate a cultural classic:

West Indian Bakes For Kids

The ingredients you will need are:

- ✓ 1 3/4 cup flour
- ✓ 2 1/4 tsp baking powder
- ✓ 1/4 tsp salt
- ✓ 1/4 cup granulated sugar
- ✓ 1 tbsp unsalted butter
- ✓ 3/4 water (more as needed)
- ✓ Oil for frying

Method and instructions can be found at:

<https://www.alicaspepperpot.com/west-indian-bakes-for-kids-using-cookie-cutters/>

****Make sure you get help from an adult when you are frying as this can be dangerous!****

MyMaths

www.mymaths.co.uk

You should all have received an email with a username and password for this.

You complete them on the screen and then it allows you to check your answers. You can use a pencil and paper to help work them out!

We have set the work to the following timetable.
The following activities will appear on the following days and they will be taken off by Sunday.

New set of work

Monday: best buys and value for money
Tuesday: area of rectangles
Wednesday: metric conversion
Thursday: converting measures
Friday: imperial measures

(some of you might have something slightly different or extra to this)

Ancient Greece

What was Ancient Athens really like?

Watch this video

<https://www.literacysshed.com/athens.html>

And read this BBC page

<https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/zc8yb9g>

Task:

Imagine you are a normal child living in Ancient Greece. What would you do during your day? What would your family do?

Write a diary entry for a day in the life of a child in Ancient Athens. Add in some pictures of the places and things you would see and use.

PE

This week in PE we are going to become part of the BBC Super Movers Cr3w.

Monday – Teamwork (<https://www.bbc.co.uk/teach/super-movers/ks2-pshe-teamwork-with-the-super-movers-crew/zkpdvk7>)

Tuesday – Revision (<https://www.bbc.co.uk/teach/super-movers/ks2-pshe-revision-with-the-super-movers-crew/z64pwtu>)

Wednesday – The Solar System (<https://www.bbc.co.uk/teach/super-movers/ks2-science-the-solar-system-from-the-tardis/zkrt8xs>)

Thursday – Money (<https://www.bbc.co.uk/teach/super-movers/ks2-maths-handling-money-and-giving-change-with-the-next-step/zjr6kmn>)

Friday – Word families (<https://www.bbc.co.uk/teach/super-movers/ks2-english-word-families-with-the-dumping-grounds-tyler-sasha/z7r6kmn>)

Outdoor Learning

Your outdoor learning task for this week is cross-curricular and draws heavily upon maths. Take a short walk with a grown up (this could be around your garden) and identify different angles.

For example, let's pretend this is where Mr Stack lives. The corners of the house are right angles (90°) whereas the roof is approximately 45 degrees making it an acute angle. Make a list of all of the different angles you can find!

As it's quite rainy at the moment, here's a selection of different Art activities that you can do whilst making use of the rain outside. We look forward to seeing your creations.

'Singing in the Rain'
By Tim Hopgood

Book to Share!

Based on the classic song, this beautifully illustrated picture book celebrates rain and all its fun. Jump in puddles, raise umbrellas, and dance with joy through the pages of this gorgeous story. Sweet and positive in its message, with bright, eye-catching art, this book is an uplifting celebration of rain!

Outdoor Art – Patter Patter Painting!

Rainy Photography

Once the rain shower is over pick up an iPad and go exploring for signs of the rain. Look for puddles, raindrops and mud! When you find evidence of rain capture it in a photograph!

Painting with the Rain

Paint some interesting patterns on paper and then leave them out in the rain. What do the raindrops do to your artwork? You could leave your paintings flat or hang them to see the rain alter them in different ways. You could use a brush to play with the rain and paint on the paper.

Colour Mixing

Use the rain to help develop an understanding of colour mixing!. Use powder paint to demonstrate how primary colours mix to create secondary colours. You could use a brush to sweep the colours together then watch them mix with the water and transform before your very eyes!

Chalky Puddles

When chalks get wet they develop a lovely silky paint like texture. Find some puddles and use the rainwater to help create some puddle pictures. You could draw in the puddles or around the edge – use your imagination!

Tissue Paper Art

Stick pieces of coloured tissue paper (it needs to be the bleeding art kind) on a plain white piece of paper. You could create a picture or place the tissue in an abstract pattern. Once you are happy with your design place it in a tray and leave it outside in the rain. Once dry brush the tissue off and see what has happened!
