<p>Can you write these words in a sentence?</p> <ul style="list-style-type: none"> <li>• beautiful</li> <li>• sugar</li> <li>• water</li> <li>• plant</li> </ul> <p>Challenge: Could you create a story with the words listed above?</p> <p>It would be great to see some of your beautiful handwriting!</p>	<p>Battle of the Bands! <a href="http://www.ttrockstars.com">www.ttrockstars.com</a> 2A vs 2S</p> <p>Can we set the standard by taking an early win in our class battles? The highest scorer will get a special mention next week. Get battling!</p> 	<p>Locate your favourite book and take a picture reading it in a really odd/ unusual place. I'd love to create a great display with a picture from you all! Send in a few sentences explaining your choice of book/ location!</p> 	<p>Log in to Purple Mash and access your 2do. Complete the poster 'About Me'. Remember to include lots of fun facts and information!</p> 

Creative Writing		Science
<p>This week I would like you to tell me some facts about yourself using these subheadings:</p> <p><b>Monday</b> – Me and my family  <b>Tuesday</b> – My favourite food  <b>Wednesday</b> – My favourite subjects  <b>Thursday</b> – The best thing about school/ My hobbies  <b>Friday</b> – What you have been doing whilst in lockdown</p> 	<p><b>Facts about me</b></p> <p>My name is Miss Arshad and I've been teaching at Woodthorne for two years. This will be my third year teaching Year 2. My favourite food is margherita pizza! And my favourite subject is Geography – exploring and visiting new and exciting places is what I enjoy most. I have been to over 12 countries and will hopefully continue to visit more once lockdown is over. My favourite part of school has got to be making children smile and laugh! I have taught in The Gambia and Sweden; exploring the merits of teaching different cultures and supporting local communities.</p>	<p>Our Science topic for the Autumn Term will be Living things and their habitats. With this in mind, I would like you to observe some creatures that live in your garden and one other place of your choice (e.g. pond, woodland area)          Make a list of what you see and why you think those creatures are suited to that habitat.</p> 

### Art / DT

Using a paper plate or a round piece of paper create a collage of all the things that are special and meaningful to you. You can use material, photos, drawing or you could use paint. The choice is yours!

Paper Plate Self-Portraits

### Creative Curriculum

Time for some detective work! Can you guess what our Creative Curriculum topic for the term is? Here are some key images and artefacts, can you find out some information about them?

LEATHER BUCKET

PORTRAIT OF SAMUEL PEPPYS

### Maths

Chose a number from 1 – 20 and bring it to life!  
Decorate you chosen number thinking about:

- How it represents itself
- Does it belong to a number family?
- What number could you add together to make your special number?
- What numbers could you subtract to make your special number?
- Why have you chosen this number?

Also see MyMaths lessons on:

- Number and place value
- Place value up to 30

### PE

Mrs Sodhi (the other Year 2 teacher) and I have been competing and keeping track of our daily steps. We are constantly comparing and trying to outdo each other! We'd love for you to join in and keep a log of how you have been keeping active! Send in some photos of your daily exercise and see how many steps you can do in a day!

### Mindfulness

As you begin to prepare for the end of Year 1 and the summer holidays, it could be a great time to reflect on the past few months and check in with yourself. Write down some of the positives you have experienced whilst in lockdown, discuss these with your family and take note of the lovely memories you have created!

In preparation for Year 2, begin to write down your positive feelings, worries or reservations about the move up. Remember to share these during our Teams Call Transition Meeting as others may be feeling similar emotions.

### Teams Call Transition Meetings

Transition Meetings will be held with all children over Teams – Microsoft Office. All children have been added to a Team titled 'Woodthorne Primary – Class 2A 2020-2021'. You will soon be invited to a scheduled video call on **Wednesday 8<sup>th</sup> July**, times listed below. Calls will provide children with the opportunity to meet their new teacher, review planned learning experiences/ activities for the Autumn Term topic and ask any questions that they may have. Calls will be kept brief, so if you have any additional queries please contact your current class email, messages will be forwarded on.

Surnames A-F: Teams Transition Meeting 1pm-1:15pm  
Surnames G-P: Teams Transition Meeting 1:30pm-1:45pm  
Surnames R-W: Teams Transition Meeting 2pm-2:15pm

Please send all attachments and photos to your current class email: [Wt.y1homelearning@perryhallmat.co.uk](mailto:Wt.y1homelearning@perryhallmat.co.uk)
