

Meet Your Teacher

Hello, I'm Miss Mahay, 3M's class teacher. Most of you will have seen me when you have been in Merit assembly on Fridays. I have a daughter who also attends Woodthorne. I enjoy cooking and baking with my daughter and I like reading. Some of my favourite authors are Roald Dahl and Michael Morpurgo, which I am sure some of you will have heard of.

Art

We would like to know what you look like. Draw a picture of yourself.

Think about the shape of faces, where the eyes go in relation to the ears or the nose. How accurate can you make your self-portrait?

English

All About Me!

Make a book all about yourself.
Design a front cover.

Describe yourself using expanded noun phrases.

- What do you like doing?
- What do you dislike?
- What's your favourite food?
- Do you have any hobbies?
- My family-
- Draw your family and tell us about them-what do you like doing with them?

Transition

We have special jobs in the classroom, such as milk monitor, book corner tidier, weather reporter and line leader.

What job would you be most suitable for?

Can you write a CV and a letter of application to tell us what job you would like to have in the classroom and why we should choose you to do it?

Remember to write clear paragraphs explaining- why you are writing to us. What job you think you would like to do and explain why you would be good/the best person for the job.

 <p>Moving classes can be a tricky time. You might be feeling excited, or you might be feeling worried.</p> <p>Are there any questions you'd like to ask us? Do you have any worries about moving into KS2, Year 3? Do you have any wishes for going into Year 3? What do you think we will learn about? What would you like to learn about? Could you ask your parent or guardian, or older sibling what it was like for them in Year 3, how did they find it? What can they tell you about being in the juniors?</p>	<p>What is your favourite book?</p> <p>Draw the front cover.</p> <p>Write a summary of the story- what are the main parts of the story?</p> <p>Why do you like the book? Do you think I would enjoy your favourite book? If not, why not? If I would enjoy it, what do you think my favourite part would be?</p> 	<p>You have entered a cave and find the following objects:</p>  <p>1 2 3</p> <p>What is/are they? What materials are they made from? Are they new or old? Who would use them? How would they be used?</p> <p>Researching each object and then tell us what you find out about them. What do you think your topic will be in September?</p>

Please upload work onto your class email where I will be able to see your work!

<p>What qualities are you bringing to Year 3? What makes you a good friend?</p>  <p>Make a 'Good to be Me' poster!</p> 	<p>Choose a two-digit number- Write all the facts that you know about your number eg how many tens/ones in your number, Is it odd/even? How many different facts can you write? Count on in multiples of 10 from your number. Count on in one hundreds from your number. What patterns can you see?</p>	

Getting to know you Meetings!

I would like to start getting to know you all, so have arranged a short meeting on Teams to say hello and meet other children from our class. We will meet in small groups of about 10. We will introduce ourselves and I will ask you to tell me something about yourself. You can tell me things like: what you like doing at home/school. How you are feeling and if you have any worries about moving into year 3 that you want to talk about/share. Don't worry if you miss the meeting, I shall see you hopefully in September.
