Year 1 information

We are aware that home learning has taken place and you have shared some lovely pictures and videos of learning via the email address. We feel it is essential that all children have the opportunity to reach their full potential. Learning through play will continue to be an important part of our day and children will be gradually eased into more formal learning.

We aim to encourage children to become independent learners, as they progress through year 1. Continue to submit the super learning and if you have any questions regarding anything at all please email in at your usual email address and we will pick up any queries from there.

We are really excited to meet you all.
