

Nursery Homework

Away We Go!

Our topic this half term is 'Away We Go!' This week, we are looking at the book 'Cool Cars' by Tony Mitton

On Purple Mash this week in the 'To Do' section - Can you fix a car in the garage? Fill the car up and perhaps design your own car.

Read the book -

<https://www.youtube.com/watch?v=2EQFJfzu68k&safe=true>

After, have a look at your parents car. Can you find the wipers, handbrakes, indicators, mirrors and brake?

Go for a walk and look at the number plates on the cars. Can you find all the letters of the alphabet on them? Can you find numbers 1-9?

Can you make a car? You could make one out of lego or duplo. Or you could even make one out of junk modelling that you could climb inside of.

Go for a walk and play car colour bingo - you and your family all choose a different colour - the first one to find 10 cars in that colour wins.

Help your parents wash their car. What do you need to use to make it clean? If you don't have a car, could you wash your toy cars?

Create a ramp for your toy cars and see how far they can travel. Which car goes the furthest?

This week it is the 00s!

Listen to Snow Patrol, Busted and Dido - which music do you like?

Monster Inc, Up! and Finding Nemo all came out in the 00s - watch the film and/or draw a character from one of them.

Everyone started to use the internet and emailing in the 00s - can you send us an email?

Talent TV shows became really popular- can you film your talent and show it to us? Is it singing, dancing or something else?
