

Nursery to Reception

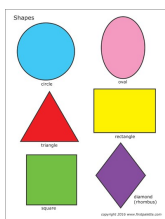

Homework 2

Hi Everyone,
Mrs Hodgkiss here, I hope you enjoyed last weeks home learning. we have just loved seeing what you have been up to and to hear the super facts you sent in about yourselves. This week I have set some more activities all about you! Have fun!

Can you think of any questions you would like to ask us? Ask your grown ups to send in anything you would like to know.

Go on a shape hunt around your house or garden—what shapes can you find? Can you name them? Which shape can you find the most of? Can you draw the shapes and maybe even the objects you found?

Challenge!

Can you find an object around your home that starts with each letter of your name, for example a jumper, an apple and a kite would be perfect for the name Jak, lets see what you can find!

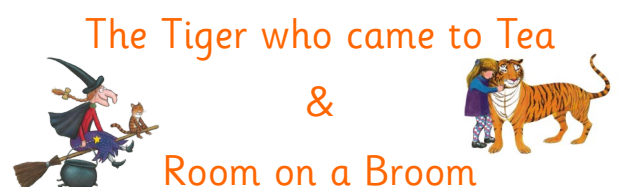

Hello everybody, My name is Mrs Gakhal, I am so excited to see you all soon. Reception is such a wonderful place to be, you will all have amazing fun learning lots of new things. I will be there with the other teachers, to look after you and make sure you are safe and loved. There will be so many different things for you to do and new friends for you to meet. I can not wait to meet you all.

Can you write your name in a rainbow of different colours?
This will mean writing your name 7 times!

In Reception we absolutely love reading and sharing books so we would like to know your 5 favourite books or stories. You could write a list or ask a grown up to write your list for you or you could draw the front covers for us to see. 2 of my favourite books are

We read these 2 books a lot in Reception!
