Dear Parents and Carers,

Throughout each school year there are opportunities where it is valuable to visit the local area to enhance the curriculum for your children. Recent visits have included the local shops, Perton Library, Tettenhall fire station and a walk to look at the features of Tettenhall village. It is essential that we have parental permission for these educational visits, alongside the pre-visits and risk assessments which school carry out before a visit.

To avoid issuing the same letter each visit or indeed academic year, we are asking parents to give permission for any local visit throughout your child's school life, from Nursery/Reception to when they leave in Year 6.

The consent will be stored on your child's personal record for their class teachers to be aware of. You will be notified in advance of any such trips by the class teacher, but you will not be required to sign any further consent forms. By giving consent on Parent Pay, you give us permission for your child to take part in any visits to the local area of a 2 mile radius for the duration of your child's time at Woodthorne Primary and Nursery School. If there are any changes to this throughout your child's time at Woodthorne, please let your child's teacher or the office know and we will amend their file accordingly.

We hope that you will support us in this and allow your child to take part in these educational visits.

Thank you for your continued support.

Mr T Hinkley
