Get Ready for Access to Higher Education

A free online course

This short six week course will help you to prepare for returning to study.

It will provide a basic understanding of how to approach studying in a college setting and offer tips and support on how to carry out research.

This online course will explore:

- Your current skills and knowledge
- How to approach formal writing
- Spelling and punctuation tips
- How to use a library
- How to write for college
- What is referencing

This course will take place from the comfort of your own home. You will need to be able to follow URL links to pages on the internet and follow links to join Padlet. Access to a computer, speakers, a microphone, a webcam, an internet connection and a personal email address to be able to take part in this course.

To find out more call **01902 558180** or check out our website **www.aes.wolverhampton.gov.uk**
