

4th January 2021

Dear Parents/Carers,

I hope that you have had an enjoyable Christmas, albeit a very different one this year. I would like to take this opportunity to wish you all a Happy New Year and thank you all for your continued support at this difficult time. We are writing to inform you of the details regarding the online provision that will be taking place this week to support your child in continuing to learn at home.

Each day at 9am, your child will have all of their work for the day uploaded onto Teams. You will notice that rather than class teams, children are now in year group Teams in order to facilitate the live session that will take place daily.

Each daily upload onto Teams will include:

- 2 x pre-recorded lessons (1 Maths and 1 English). During these videos, staff will provide opportunities to pause the video and carry out independent learning before progressing onto the next skill (there will be some variations to this in Early Years and Year 6).
- 1 x scheduled live session (this will be the same time daily- see below timetable). This will provide your child with an opportunity to ask questions, receive feedback, share and celebrate their learning and, of course, see their friends on screen.
- Either a daily/weekly learning grid filled with learning opportunities from other curriculum areas e.g. Science, ICT, Geography, History etc. This can be accessed at any time and teachers will love to see what you have completed from the grid.
- Any associated worksheets/assignments to complete and send in will be uploaded as assignments or files on Teams.

As the majority of the school is now accessing remote learning at home, we have had to stagger the times of live sessions to prevent overlaps between year groups to accommodate siblings wherever possible.

Year group	Live session/s time
Nursery	9:00- 9:15am and 2.30- 2.45pm
Reception	RC 9:15-9:45am RW 2.45- 3.15pm
Year 1	1:00pm
Year 2	1:30pm
Year 3	2:00pm
Year 4	2:30pm
Year 5	3:00pm
Year 6	Please see attached timetable.
