

WOODTHORNE PRIMARY SCHOOL EXTRA-CURRICULAR CLUBS

We demonstrate our school values in everything we do- including our extra-curricular activities. We show courage by taking on new challenges, meeting new friends and representing our school in competitions. We show ambition by nurturing our talents and always striving to be even better. We show respect by working collaboratively with others, being a team player and demonstrating sportsmanship. We show excellence in everything that we produce: from artwork and engineering to gymnastics and embroidery!
