

Dates for the diary

11.11.21

Dear Parents/Carers,

We would like to take this opportunity to highlight some significant dates for your diary over the next half term. Starting from the end of this half term, there will be a half-termly newsletter created and sent out to parents to celebrate successes of the half term and to inform you of significant dates for the following half term. We hope that this improves communication, minimises the amount of individual letters that need to be sent out and showcases some of the fabulous learning that goes on here at Woodthorne!
