

School Council

Minutes of the meeting - Initial

Date: 3rd November 2021

Everyone introduced themselves.

A ballot vote (Democracy) was made for the positions of:

Chair

Treasurer

Secretary

The roles of each position were discussed and children showed a preference for the positions. The voting slips were placed in the Ballot Box. Mrs Perry and Mrs Gakhal will count the votes at the end of the day. The elected members shall be informed of their positions tomorrow.

The first project was announced:

Poppy appeal

School Councillors to sell poppies and other items related for Remembrance Day to raise money for the charity that supports service people, past and present along with their families. It was suggested that the school council will sell these from 4th November to 11th November at break times and lunchtimes.

School councillors to rota this themselves to cover all break times.

To kick start the project, school councillors created their own flyer for this event. One of these was selected and emailed out to parents for information. The others have been placed around school.

Date of next meeting: TBC
