Dear parents

Since we converted to a multi academy trust in 2018, we have made changes to our consents on our school admissions document. What this means for children who joined the school before this date is that we do not necessarily hold the same consents for your children on the admissions paperwork.

To rectify this, we have created a one off consent document on Parentpay which will allow you to consent as follows:

I give permission for my child's photograph/videos to be used on our school and Trust website

I give permission for my child's photograph/videos to be used in our school and Trust newsletters (paper, email and websites and Twitter)

I give permission for my child's photograph/videos to be used to help promote our school to new and prospective parents (posters/banners/prospectus etc.)

I give permission for my child's photograph/videos to be used in recordings of online lessons that may be shared with other pupils at a later date:

I give permission for other parents/carers to take photographs/videos at school productions, sports day and other school events.

I give permission for my child to access the internet in school under supervision

The parentpay item will also have an optional notes box to allow you to comment on your permissions as needed and withhold permission for any of these if needed.

**Please could we urge you to complete this consent as soon as possible. This is particularly important with the upcoming Christmas Carol concerts as children without consent to share videos and recordings will be unable to take part.**

Yours faithfully

Mr T Hinkley
