## We're taking part in NSPCC Number Day!

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 4th February 2022**.

**Everything the NSPCC does protects children today and prevents abuse tomorrow.**

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse. The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

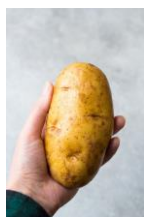

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

### Dress up for Digits

This year, on 4th February, we will celebrate NSPCC Number day with a range of engaging activities. We will also be taking part in Dress up for Digits and pupils will be invited to wear an item of clothing/ an outfit with a number on it (football shirt, netball shirt or even a onesie!) or get creative by dressing up as a dice or calculator. To help raise money for the NSPCC, we are asking for a suggested donation of **£1 per child**. We'd love everyone in the school to take part in this special event.

### Vegetable competition

For a special competition during the day, we are inviting all children in Early Years and Key Stage 1 to bring in **the longest carrot** they can find, and for Key Stage 2, the heaviest potato. Children will explore measure before identifying a winner in every class who will receive a certificate.

**It all adds up**

---

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Woodthorne will make an enormous difference to children today and help change the lives of children tomorrow. As ever, thankyou for your continued support,

Yours Faithfully,

Mr T Johnston
