

Transition from Year 2 to Year 3

Dear Parents and Carers,

How is it this time of year already?

Leaving Year 2 behind and moving into Year 3 can feel like a big step for both children and their parents. As your children move to Year 3, we want to make sure that you have all the relevant information you need. This is to enable your child to have a smooth start to the academic year and for you to be able to support them through this time.

On Wednesday 13th July at 5:30pm, we will be hosting a transition meeting in school. This will include a presentation about moving to Year 3 and an opportunity to ask any questions you may have. At this meeting, we will introduce our Year 3 Team to you and this will also provide you with information about the curriculum we follow and our school day.

We have also put in place a carefully arranged transition timetable to support our children during their move to Year 3 over a period of weeks. This is detailed in the table below:
