

YOUR CHILD'S ATTENDANCE

Did you know?

All children benefit from regular school attendance. Full and regular attendance at school is crucial for a child's future life chances and establishes a positive work ethic early in life.

100% Attendance

Pupils are expected to achieve 100% attendance, but when absence is unavoidable, parents/carers are required to inform the school at the earliest opportunity.

Every day counts

We want every child to achieve their full potential and we know that parents share this goal. Research shows there is a clear link between good attendance and educational achievement. If your child is not in school, on time, as often as possible they will be missing out on many important parts of their education.

Is your child losing out?

Attendance during one school year equals this number of days/weeks absent:

95% 9 days 2 weeks 50 lessons
90% 19 days 4 weeks 100 lessons
85% 29 days 6 weeks 150 lessons
80% 38 days 8 weeks 200 lessons
