RELIGIOUS EDUCATION LEAD

I am Mrs Sodhi and I have the pleasure of taking on the role of RE coordinator here at Woodthorne Primary. I chose to lead this subject because I have a real passion for learning about different religions and cultures.

Living in multi-cultural society such as Wolverhampton, I have come to appreciate the number of diverse ways individuals and communities view the world and what is it they believe in. I strongly believe religious education is vital for our understanding of each other and the world around us. It is a dynamic academic discipline which encourages curiosity, independent thought and analysis through the evaluation of religious and philosophical traditions. It helps young people develop beliefs and values, and promotes the virtues of respect and empathy, which are important in our diverse society. My aim is to ensure that all religions and cultures within our school are understood, valued and celebrated.

I am extremely fortunate to have visited some of the most beautiful places of worship in a number of countries including India, Dubai and Singapore. Take a look below- can you spot where they are?
