Lunar New Year 2023

Dear Parents and Carers,

On Monday 23rd January, as part of our school Lunar New Year Celebrations Reception will be inviting parents and carers to join us for a themed enrichment morning. Children and their adults will have the opportunity to join in with a range of themed activities such as making paper lanterns, traditional food tasting, creating celebratory red money envelopes as well as joining in with traditional music and dragon dance sessions.

Children will come into school as per usual to enable staff to register them; parents and carers will then be able to join the children in their classes by entering school through the main entrance for the activities. The enrichment session will run from 9:00am until approximately 11:00am. Due to space, we ask that only one parent or carer per child joins us in school for the morning. We also ask that you do not use any mobile phones, similar devices or take any photographs whilst in school, to ensure we are able to safeguard our children effectively.

Children can wear school uniform or traditional dress to school on this day.

Thank you for your support, if you have any questions, please do not hesitate to ask a member of the team.

We look forward to seeing you on the 23rd January.

Mrs Hodgkiss & the Reception Team
