

We're taking part in NSPCC Number Day!

24.1.23

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 3rd February 2023**.

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse. The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

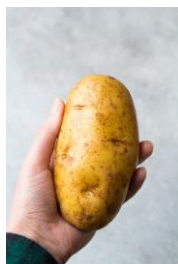

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

Dress up for Digits

This year, on 3rd February, we will celebrate NSPCC Number day with a range of engaging activities. We will also be taking part in Dress up for Digits and pupils will be invited to wear an item of clothing/ an outfit with a number on it (football shirt, netball shirt or even a onesie!) or get more creative by them dressing as a dice or calculator. To help raise money for the NSPCC, we are asking for a suggested donation of **£1 per child**. We'd love everyone in the school to take part in this special event.

Vegetable competition

As is fast becoming our new Woodthorne tradition (but with a slight change on last year) for a special competition during the day, we are inviting all children in Early Years and Key Stage 1 to bring in **heaviest potato** that they can find and for children in Key Stage 2, to bring in the **longest carrot** that they can find.

It all adds up.

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Woodthorne will make an enormous difference to children today and help change the lives of children tomorrow.

Thanks for your continued support,

Mr T Johnston
