Within our home school agreement, we work together to meet our Core Values

Woodthorne's Core Values communicate our school's story – its mission, standards and desired outcomes. They provide the foundation for building the type of atmosphere we want to foster. They are the terms of practice that clearly define how everyone will work together to achieve Woodthorne's vision and carry out its mission. Our core values underpin everything we do at Woodthorne Primary School. The values of Courage, Ambition, Respect and Excellence spell out the acronym 'Care'; we are a caring school and demonstrate this by showing compassion and understanding towards each other – within our community and beyond.
